

## Advocate and Sponsor Benefits Packet

### **PRESIDENT'S MESSAGE**

*Hello artists and friends,*

*Last October marked two full years of gatherings and one and one half years of running a nonprofit.*

*This is a milestone for us. It is exciting to feel the energy that you bring to the monthly gatherings. We have developed a loyal group of "regulars" which has helped create a very comfortable and easy environment. Each month also brings with it new faces and talents.*

*I feel confident in saying that we have achieved our first goal of creating a setting where artists and art lovers can gather to socialize, network and create. It is time to move forward. To do this we need **HELP** both in active board membership and volunteers.*

*For more information please e-mail me at [jdrllевич@msn.com](mailto:jdrllевич@msn.com).  
Thank you in advance for taking the time to consider this request*

*-Jill Drllевич, President and Founder of Ravenstone Arts*

### **OUR MISSION**

As a non-profit organization, Ravenstone Arts aims to enrich and empower the individual and the community through artistic collaboration and creative endeavors.

A common thread that we incorporate into everything we do is maintain an awareness of our environmental impacts, and always staying on the lookout for ways of being more sustainable in our practices.

### **LAST SATURDAYS**

Ravenstone Arts' gatherings are the perfect modern day "salon" for creative people, art enthusiasts, and arts supporters to have an opportunity to get together and talk, drink, celebrate, and network. It is a time and place to feel just as comfortable standing around with a glass of wine and chatting as it is to be totally absorbed in art-making. It's a time to show up and fearlessly do whatever you feel like doing!

## **WORKSHOPS**

We welcome all to teach a workshop on the property using Featherstone's professional teaching facility. Our facility provides a unique setting where you can feel inspired and creative. It is most certainly a place where you will feel comfortable learning. A portion of the proceeds from workshop tuition will be returned to the Ravenstone Arts non-profit. Workshops will be offered to Ravenstone Arts board members at a significantly reduced cost. These workshops will include live demonstrations and hands-on teaching of art techniques. Cost and materials will vary each time.
